Festival Year: _____

Country represented: _____

Member Organization: _____

Name of performance group: _____

Professional lighting and lighting design will be provided on the formal stage. A full color spectrum is available as well as a variety of special effect lights to add texture and depth to your performance. There are no follow spots available this year, but fixed spots can be added. If you are unsure of what type of lighting you need or like, the designer can design lighting that complements your costumes and performance.
