President of Dayton International Festival

On behalf of the entire Board of Trustees, I like to welcome you to this year's 50th A World A'Fair at the Greene County EXPO Center. We hope you will find this event exciting, informative, and full of adventures for the entire family! Get sat on your adventure and immerse into a bountiful amount of different courses and cultures through dance, food, beverages, and the educational theme of "50 Years of Unity Through Diversity".

As you explore the courses, keep in mind the continuous entertainment on both the Main and Interactive Stages, where you can view a variety of dances and bands representative of many different courses.

Passports for both children and adults help guide one through the different courses' educational presentations of "50 Years of Unity Through Diversity". Upon entrance into A World A'Fair, each child will be given a "Children's Passport". As the children explore the educational display of each country's booth they will be asked to find an answer to a question found within their passport. After the child has correctly answered the question, they will receive a stamp/signature to keep in their passport as a souvenir!

The adults will have an opportunity to purchase a Beer Passport on Friday night which entitles them to sample beers from designated courses. Once sampled, the participating adult will be able to vote for their favorite beer. The winner of the vote will have an award placed within their booth to show off for the rest of the festival. This year we are proud and happy to welcome back Egypt, and the newest addition to our ever growing family, Samoa. You can see both groups join the parade of nations everyday to open the festival as well as at their booth. Please be sure to visit all the destinations around the festival for an unforgettable experience.
