

DAYTON INTERNATIONAL FESTIVAL, INC.

BOOTH SPACE ORDER FORM

For the Festival Year _____

Revised Date: _____

Group Name in Program: _____

Number of 10 by 10 Booth Spaces Requested: _____ (max of 8)

Configuration (pick one): Block _____ Line _____ Aisle _____

Blocks are typically 2 spaces deep, lines are 1 space deep, aisles have two lines separated by an empty space. Note that aisle configurations will likely be hemmed in on one or maybe even both sides by other booths. Block configurations will either be surrounded by empty space or potentially have an end blocked by another booth/wall. Line configurations will have empty space along at least the length of one side of the booth. There is **not a guarantee** that the space request above will be provided. There is a commitment to make every attempt to fill all booth space requests as best we can.
