This questionnaire must be received by the January board meeting. You may choose to return the cue card with this questionnaire. It may also be mailed as long as it is received by the meeting.

NOTE: The performances must be in 15 minute segments. MC's comments, credits, and exits must all be contained within the 15 minute period. Depending on how many entries there are, each organization will be assigned two or three performance times on the schedule. We look at this questionnaire and the resultant time schedule as a form of contract between the DIFI organization and your organization. We promise to put your group on stage, and to the best of our ability stay on schedule. You promise to show up at the appointed time, perform, and to the best of your ability stay on schedule. There are monetary penalties for failure to meet any and all deadlines and schedules.

Will there be music? _____ Live or Recorded? _____

Recorded music may be on cassette tape, or CD/DVD or mp3 format. Make sure that your music is on a clean dedicated medium, with no other sounds or tracks present (especially on tape). Purchase a high quality medium that will make your performance look and sound professional. Ask us if you need advice on these subjects. We will need to have your music a month before the Festival so we can test and reformat it if needed.

The Main Stage will provide an announcer. If, however, your group wishes to announce their own program, please name that individual below:

Name _____

Title _____

A few words about the announcer _____

Does your group also plan to perform on the interactive stage? _____

IMPORTANT: Are any of your performers scheduled to perform with some other group in the festival: If so, specify person(s) and group(s):

· _____

Your choice of time slots will be decided by the order in which the questionnaires are returned in addition to other constraints, such as sharing of performers among groups, and allowing enough time for travel between the two stages. Return cue cards along with the questionnaire, if you wish. Please complete the cue card (typed or printed with phonetic pronunciations) including the announcement you wish us to use.

An entertainment meeting (main and interactive) will be held. A date and place to be determined. If you cannot attend, please send a representative.
